Privacy policy

Our Commitment To Privacy

We respect your privacy and personal sphere. Due to this protection of your private data when using our website is important for us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

The Information We Collect

You can visit the internet sites of Huber Technology without having to disclose your personal data. The only data we have access to via the log files on our server are your IP-Address, the name of your internet provider, which sites you have visited when and how long. These data are used for fully anonymous statistical evaluation of efficiency review and as a basis for our efforts to continuously extend and improve our internet service.

Personal data are only recorded if provided of your own free will, for example when ordering literature, quotations or applying for our newsletter or access authorization to our download area.

The Way We Use Information

Your data will be strictly kept within the HUBER group and used only for processing your inquiries and requests ; they will never be disclosed to any third party. We do not share this information with outside parties except to the extent necessary to complete your order.

You can register with our website if you would like to receive our catalog as well as updates on our new products and services.

Information you submit on our website will not be used for this purpose unless you fill out the registration form.

We use non-identifying and aggregate information to better design our website and to evaluate its efficiency.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment To Children's Privacy

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we actually know are under 13, and no part of our website is structured to attract anyone under 13.

How You Can Access Or Correct Your Information

You can access all your personally identifiable information that we collect online and maintain. We use this procedure to better safeguard your information.

You can correct factual errors in your personally identifiable information by sending us a request that credibly shows error.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.

How To Contact Us

Should you have other questions or concerns about these privacy policies, please call us at or send us an email.
