Pressure-tight Door

Pressure-tight doors up to 10 m and 30 m water head.

Completely made from stainless steel (1.4571/1.4404).

Rectangular Pressure-Tight Door TT7 with Locking Levers

Access door for containers, especially in the field of potable water supply, pressure-tight up to a water gauge of 10 m.

Pressure-tight door, pressure-tight up to a water gauge of 10 m, opening to the pressure side, ready for installation, to be lined on both sides (wall thickness ≥ 280 mm), rectangular, completely made from 1.4404 (AISI 316 L) stainless steel, statically certified.

Rectangular Pressure-Tight Door TT7.Z with Central Lock

Access door for containers, especially in the field of potable water supply, pressure-tight up to a water gauge of 10 m.

Pressure-tight door, pressure-tight up to a water gauge of 10 m, opening to the pressure side, ready for installation, to be lined on both sides (wall thickness ≥ 300 mm), rectangular, completely made from 1.4404 (AISI 316 L) stainless steel, statically certified.

Registered design no. 298 01 144.1

Rectangular Pressure-Tight Door TT7.30 with Central Lock

Access door for containers, especially in the field of potable water supply, pressure-tight up to a water gauge of 30 m.

Pressure-tight door, pressure-tight up to a water gauge of 30 m, opening to the pressure side, ready for installation, to be lined on both sides (wall thickness ≥ 300 mm), rectangular, completely made from 1.4404 (AISI 316 L) stainless steel, statically certified.

Round Pressure-Tight Door TT7.R with Screw Locks

Access door for containers, especially in the field of potable water supply, pressure-tight up to a water gauge of 10 m.

Pressure-tight door, pressure-tight up to a water gauge of 10 m, opening to the pressure side, ready for installation, to be lined on both sides, round, completely made from 1.4404 (AISI 316 L) stainless steel, statically certified.

Download Documents

Here you will find extensive planning documents and customer information.

For quick and easy download, all documents of a product are packed together into one complete ZIP file:
